Dedication

*Welcome,
Slate Springs!*

We welcome to our school a group of students who bring with them a fine tradition from an old and honorable school, one that has contributed much in the past to our county. For what they represent, for what they are, and for the contributions which they will make to our school, we dedicate with respect and affection, this year's "WILDCAT." Slate Springs, we welcome you!

Dear Students,

As the years go by it becomes more evident that education in the lives of our people is a must.

The very nature of our government, the extent to which science has developed, the know-how demanded of each man or woman in his or her vocation or profession, make it necessary that as a student you so apply yourselves that you may be able to get along well and play your part in a swiftly moving world.

Time is one of the most precious gifts to man. Precious because it is so useful-- yet so easy to let slip by unused. Time lost can never be regained, but time used well has an eternal value.

So, as you have the time, the opportunity and the native ability, please, as you are paying for an education, see that you get one.

Best wishes,

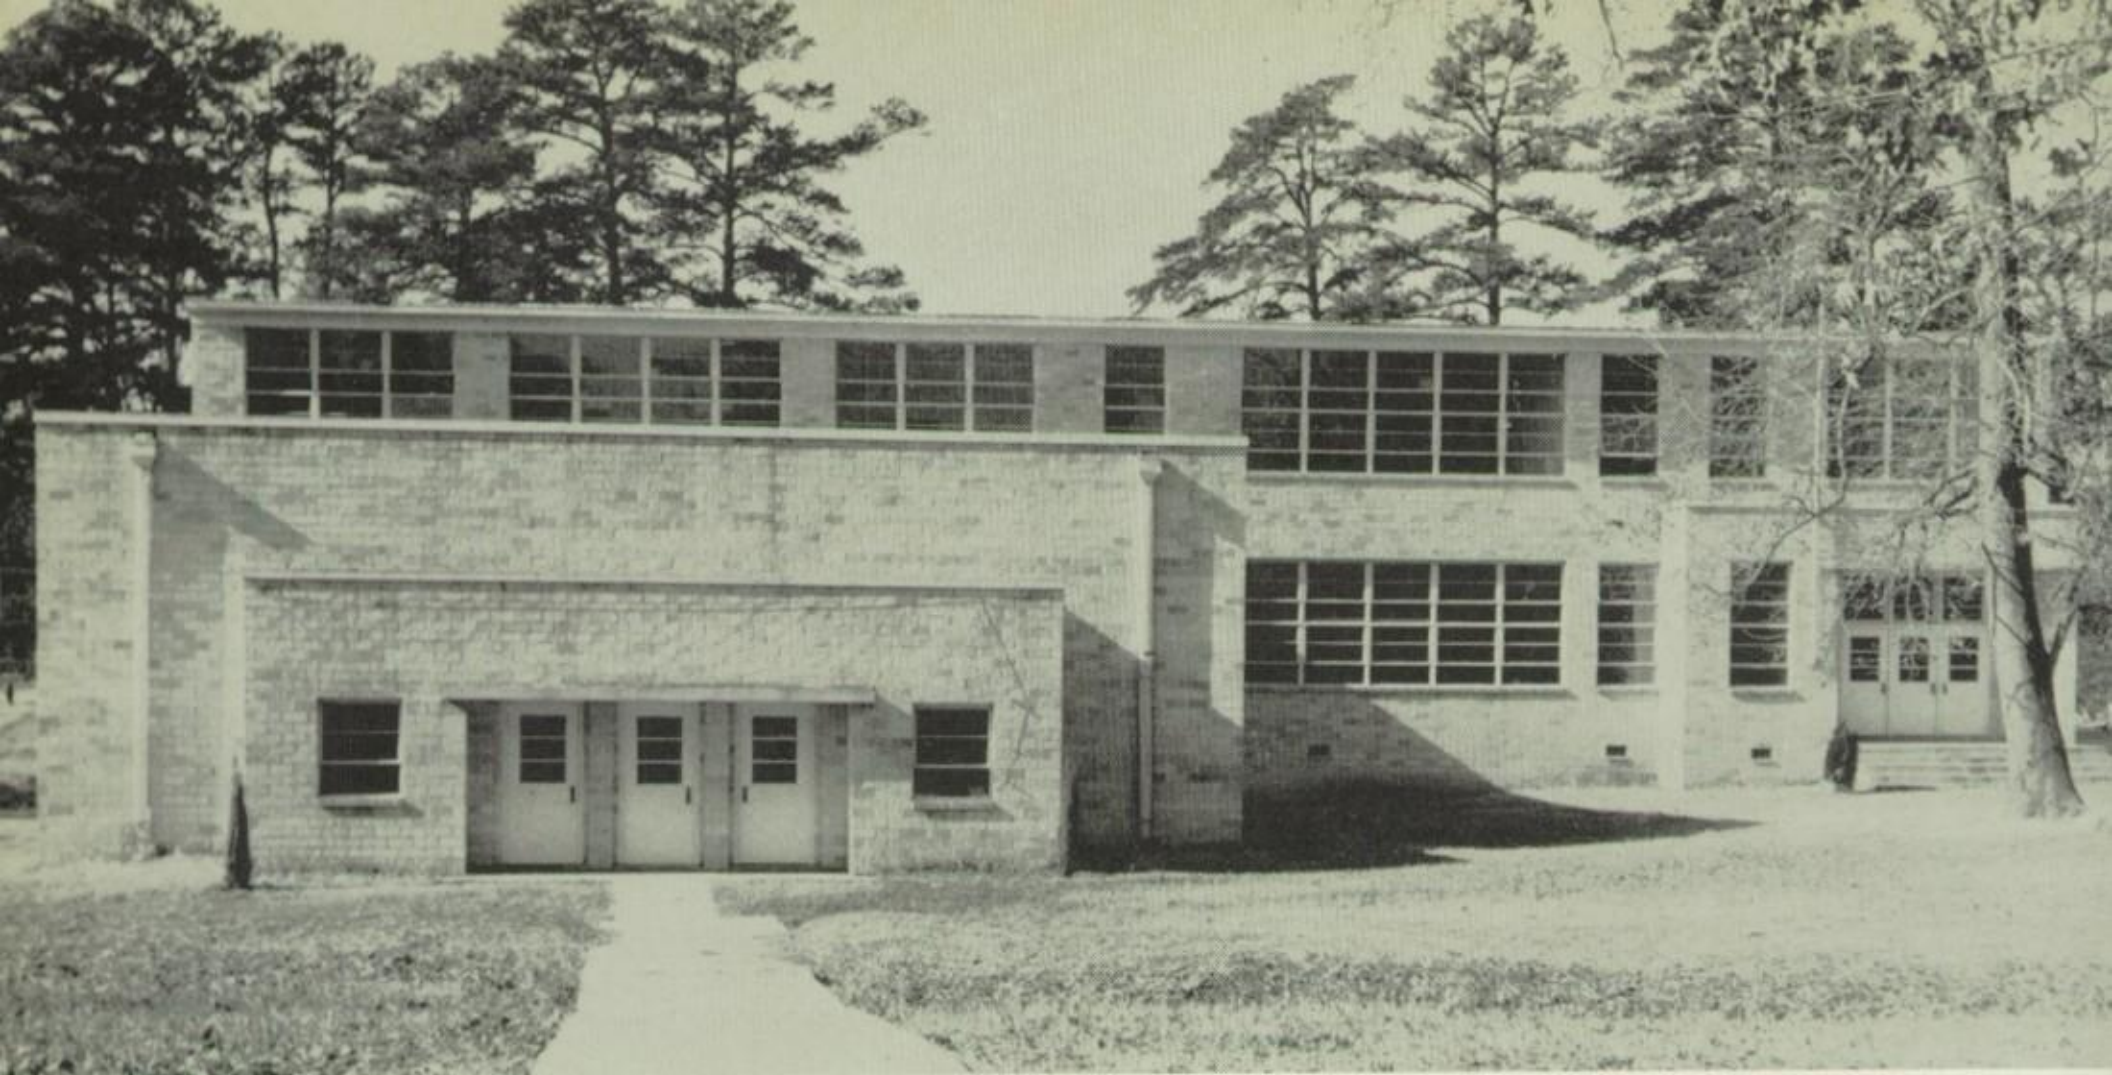

A. J. Harrison

To these Board Members:

Messrs. Vernon Davis, Paul Moore, Howard Hawkins, Thomas J. Wofford,
and Charles Hardin:

We, the students of Calhoun City High School, the Faculty, and each person associated with the Calhoun City Schools feel deep and sincere gratitude for the many wonderful things which you have given us. We know that without your help and guidance Calhoun City High School could never be what it is today. We can truly say from the bottom of our hearts - - - - -Thank you!!!!

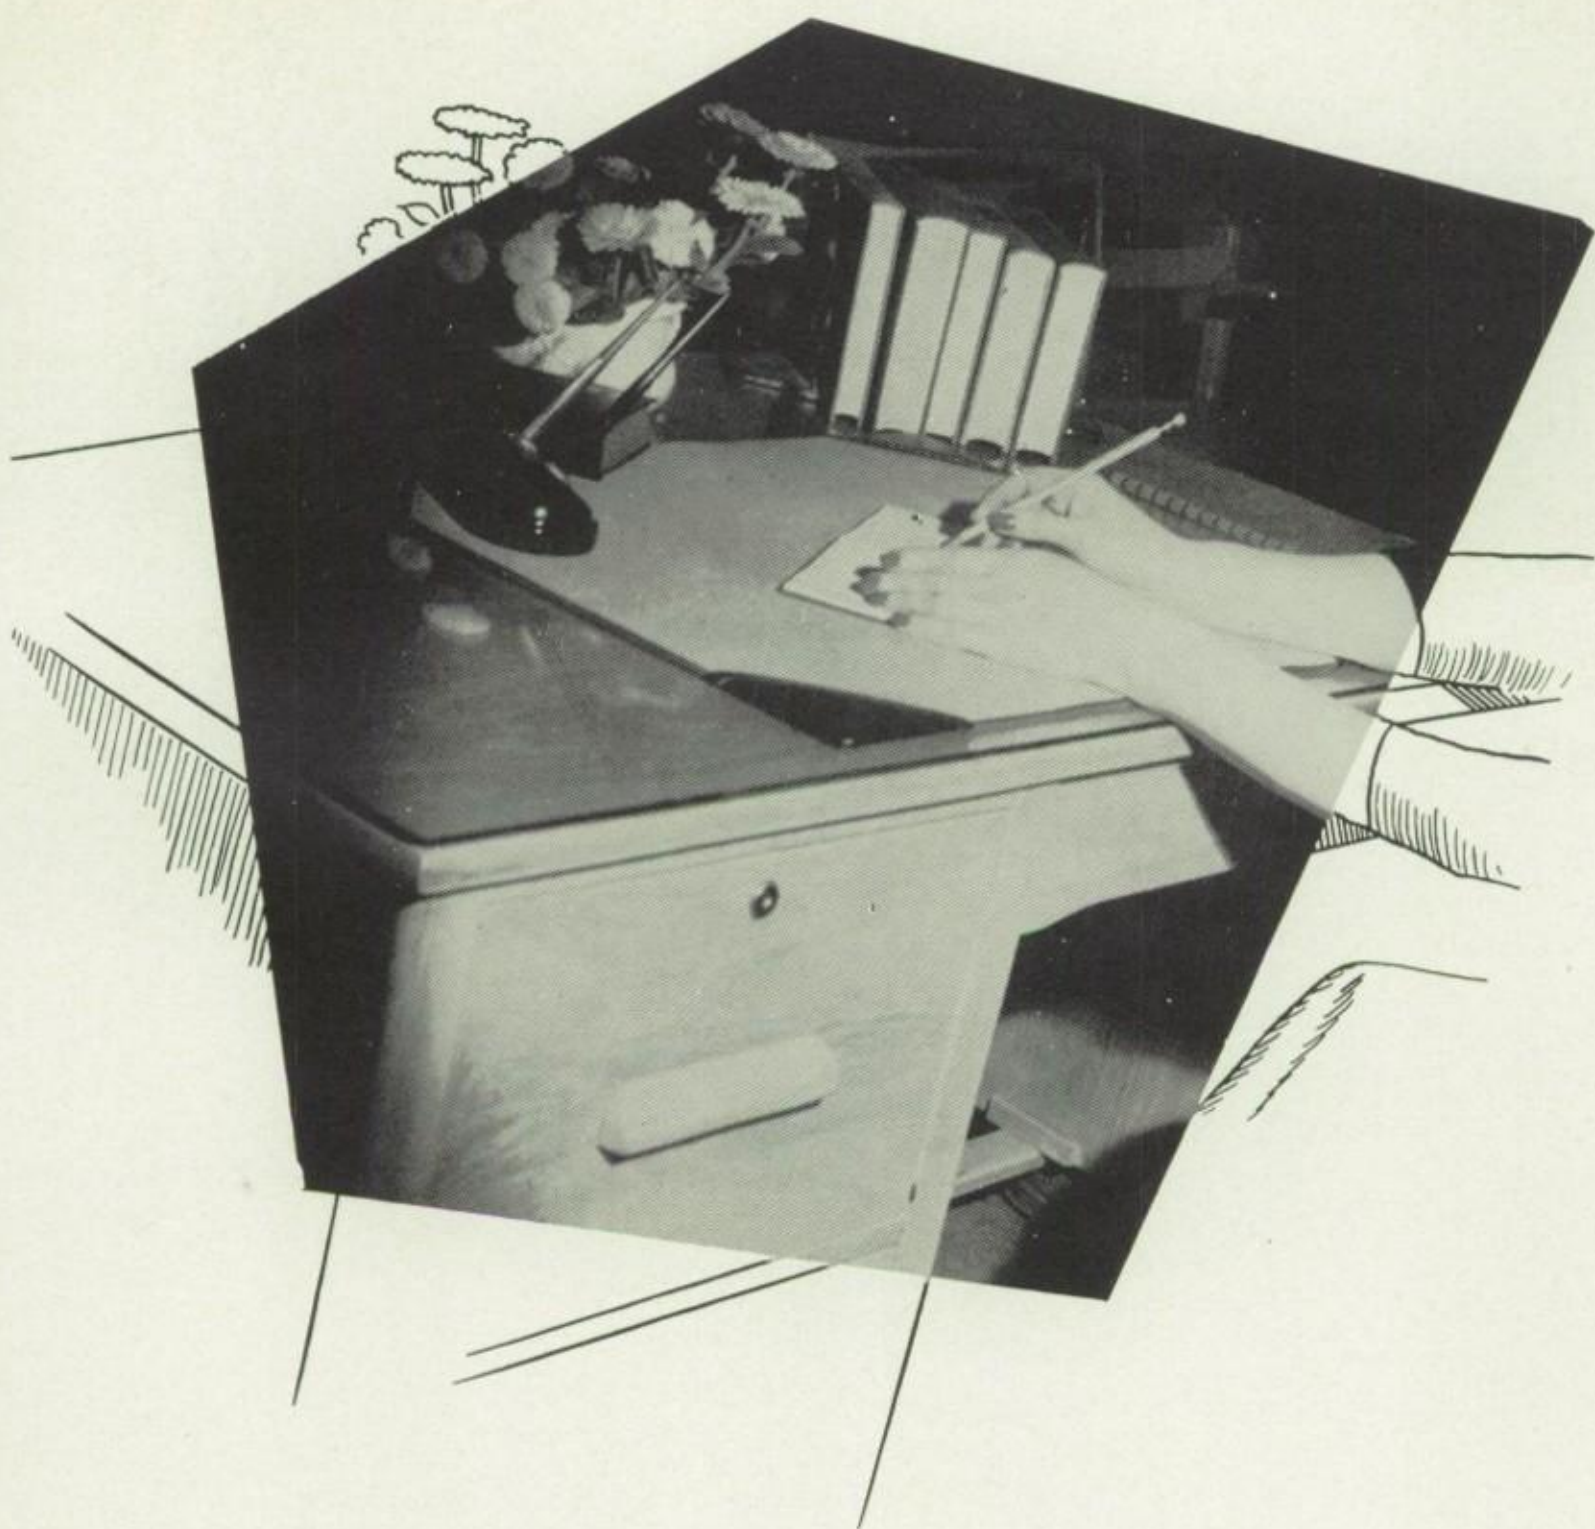

Alma Mater

On the city's Western border,
Reared against the sky,

Proudly stands our Alma Mater
As the years go by.

Forward ever be our watchword
Conquer and prevail

Hail to Thee our Alma Mater
Calhoun City, Hail.
